

Dear All

We are writing to share the most recent guidance that has been released by the Department for Education this evening:

“To provide parents, students and staff with the certainty they need we are announcing that schools, colleges and early years settings will be closed to everyone except children of key workers and vulnerable children from Monday, as part of the country’s ongoing response to coronavirus.

Examples of these workers include NHS staff, police and delivery drivers who need to be able to go to work. Vulnerable children include those who have a social worker and those with Education, Health and Care Plans. A full list of key worker categories will be published by the Cabinet Office tomorrow. Children who do not fall into these groups should remain at home with appropriate care.”

Our school will be following these guidelines. We will be sending out more information over the next few days about how we will continue to support the children’s learning through this challenging and uncertain period. Preparations are already underway and Class Teachers will be in touch soon.

Yours
