

Weekly Bulletin – 12 March 2021

It has been so good to have all our children back onsite this week. Watching them play and learn altogether again has been such a joy. This welcome change is of course not without its challenges. We are all re-adjusting to being together once more and enjoying the opportunity to be active and outdoors with friends; we had a lot of very muddy (but very happy) children on Wednesday! For many, this transition back will have been exhausting both physically and emotionally. Please continue to keep in touch with your class teacher about how your child is getting on. Lower School parents, please remember that children should bring in a **healthy** snack/lunch each day (more info in our [LS handbook](#)). Thank you for your patience as we adapt to our new pick up set up. Please support us by **leaving the carpark as soon as you have collected your child(ren)**. Thank you. Wishing a **Happy Mother's Day** to all our wonderful mamas!
Have a restful weekend, Sarah

Communications Workshop

Wednesday evening saw a fantastic group gathering on Zoom with a remit of helping to identify the key messages and themes we would like to use to create a strong profile for the school. We were supported by Neal Taylor and his magic Miro board, where he captured all our thoughts, ideas and suggestions. He brilliantly managed all this information and started to organise it for us. Take a look [HERE](#) if you would like to see what we came up with. We were very keen to take the ideas and actions forward and several community members have committed to forming a group to support this. Many thanks again to all involved and please feel free to get in touch if you have any questions, suggestions or would like to be involved. With best wishes, Rebecca

Free Monthly Online Talks

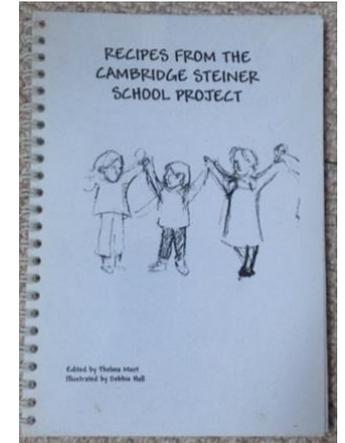

One of our sister schools, Alder Bridge Steiner Waldorf School, is hosting free online talks on Thursday evenings 8pm on Zoom. Topics include: the unfolding of intelligence in children; key elements needed for a healthy childhood; and the hidden path of technology. Find out more [HERE](#)

COVID-19 Reminder

Please remember to inform reception if anyone in your household is displaying symptoms of COVID-19, and get tested (more info [HERE](#)). If the test is positive – please let the school know immediately. Thank you.

NEW COMMUNITY RECIPE BOOK

"I am updating and editing a very old CSS Community Recipe Book that was kindly put together many moons ago by some parents of CSS. Some of you may remember this book, the project and the parents involved..."

If you would like to contribute a family favourite recipe for the new book, either generations old or from your own lockdown baking endeavours (that we all seem to have experienced in one way or another) to share with everyone in the community, please send them to me via email by the Easter holiday; kwawrzyniak@hotmail.co.uk

Any of the following are welcome:

STARTERS & SOUPS; DIPS & SAUCES; MAIN COURSES; DESSERTS & PUDDINGS; CAKES & BAKING; CHILDREN'S FAVOURITES; PRESERVES & DRINKS

We are very much in need of good VEGAN and VEGETARIAN and MULTICULTURAL recipes! Also, if you are a, or know of any, willing illustrator and/or a printing professional in the community who may like to help freshen up the book, do let me know! Warmly, Kelly Wawrzyniak (mum to Eva and Vincent)"
