Parent's Craft Group

We are launching a parent's craft group to work together for the Advent Fair. Join us at the school to make beautiful handcraft items. Workshops are free to attend as we will be making items for the Advent Fair, but please sign up so we can prepare enough materials. Thursday evenings or Saturday mornings. See poster [HERE](#) for more details.

Oberufer Shepherds Play

We are seeking out teachers, parents and friends of the school to participate in this year's performance of the Oberufer Shepherd's Play which is planned to take place on Friday 17th December at 2pm.

It is our special gift to the children as we draw near to Christmas. The performance of this play is a wonderful tradition upheld in many Steiner schools across the world.

If you want to join us in acting, singing, playing an instrument, doing the lighting or helping us out with costumes, we would love to hear from you! No former experience is required!

Please email sarah.fox@cambridge-steiner-school.co.uk to pass on your interest, or speak to Sarah or David directly if you would like to know more about getting involved. If you would like to see a copy of the script of the play, please ask at Reception. We will start rehearsing after the October half term break, most likely early evening on Thursdays.

We try and keep the preparations for the play a secret from the children, to heighten their anticipation and add to their surprise on the day; we would appreciate your support in this.

Taking part in the Shepherd's Play is a fun and social experience and the joy it brings to the children makes every rehearsal worthwhile.
