School News – Garden Update

Dear Community,

On Saturday 12 June the big storage container was moved out of the playground, increasing the space for children to play. The container was shifted to Abington Woods and will be put to good use. The project was made possible by the support of parents who wished to contribute to the development of the playground, for which we are tremendously grateful.

We are continuing the work on the teaching gardens and would very much welcome any help with creating the vegetable beds and building the hazel fence. If you can join us, even for just an hour or two in the afternoon after school, please e-mail me at andor.vince@cambridge-steiner-school.co.uk or send a message by joining the CSS Gardening Group at <https://chat.whatsapp.com/LtRU0nkf3Vu7mTORfG5YVr>. Any help would be most welcome. Thank you.
Warmest wishes
Andor

Doll making workshop with Yule

Dear Community,

I'm thinking of running a small Waldorf/Steiner doll-making workshop from September. It would probably run over four Saturday mornings, resulting in a beautiful and unique little friend (and many new skills under your belt!). If you're interested in participating, please drop me an email at yule.edwards@cambridge-steiner-school.co.uk
