100 Visits Campaign

The new Communications group is underway and will be launching a ‘100 Visits Campaign’ after Easter. We will send more details out soon so that you can be part of this fantastic opportunity to promote the school.

We are also working on a new webpage for the Upper School initiative and other improvements to the current website and social media platforms, with plenty more ideas in the pipeline, including the fabulous bicycle bus. Keep an eye out for updates and ways to be involved. Thank you, Rebecca

Celebrating our Multicultural Community Flag Making and Favourite Family Recipes

Thank you to everyone who made a flag as part of our carnival celebrations this year, helping to bring more colour to our corridors. This community initiative can continue to be added to (we have a lot of long corridors!) and we would love for you to contribute. Please click [HERE](#) for the original information about sizing etc. Little ‘flag packs’ with the base layer material pre-cut to size will be left out in the entrance hall at school to be collected next week or once term re-starts. The theme for our **flag making** was ‘express yourself’. Next term we would normally be celebrating our Multicultural May Fair, but with Covid restrictions this event will not be able to go ahead as normal. We would love for families to take this opportunity to **share a little something about their cultural heritage** and ‘express yourselves’ by creating a flag to add to our corridor display.

Another way you can get involved is by **contributing to our Community Recipe Book**. We hope to get the book ready for distribution around mid-May, so that although we won’t be able to enjoy our Multicultural feast together at school, we can have a go at **recreating some recipes at home!**

Please remember to email Kelly with your recipes: kwawrzyniak@hotmail.co.uk

Wider Community Events/ Information

Young Artists Summer Show – our school is registered with the Royal Academy of Arts for their summer show case of young artists’ work. We would love our pupils to get involved – click [HERE](#) for more details.
