

Weekly Bulletin – 5 February 2021

*The smallest candle can be seen
brightly burning
Through deepest darkness see the
light is returning
The smallest act of kindness, can bring
both joy and light
And if we work together, we can
lighten up the night*

This song, often sung at Candlemas time, was written by a Waldorf pupil and beautifully encapsulates the hope of spring to come, and how each of us can shine (even more so when united) as beacons of light in the dark.

Please do continue to keep in touch with us about how your family is getting on.

Reminder - Community Event - Save the Date

Join us for a fun-filled day of online events to lift our spirits and feel the warmth of our community! The PTA is organising **storytelling** for children of all ages and laugh-packed **charades** for adults in the afternoon and evening of **Saturday 20th February --> SAVE THE DATE!** More details to follow.

Class 7/8: Hat Making

Using just merino sheep's wool, soap, warm water and a good dose of elbow grease, Class 7/8 have been making hats in the traditional wet-felting method. They each felted a more structured hat (pictured above) using a self-made hat block, and a softer beret. With classes running online, they had the opportunity to each be their own quality control. Their hard work and high standards have paid off as they show off their unique and beautiful work.

Safer Internet Day

Tuesday 9th February is national Safer Internet Day. As a school, we are conscious of the risks attendant on entering the virtual environment, and we would like to work in partnership with you to help to mitigate these risks for the children. If your child uses digital devices themselves then we strongly encourage you to ensure that secure parental controls are in place. Please see our Parent Handout (attached) with helpful links and further information around how to keep your children safe online.
