

Weekly Bulletin – 5 March 2021

*All Nature seems at work.
Slugs leave their lair
The bees are stirring,
birds are on the wing
And Winter slumbering
in the open air,
Wears on his smiling
face,
a dream of Spring!*
S.T.Coleridge

Community Workshop – 6-9pm Wednesday 10th March

We are looking forward to the community workshop next week when we will focus on clarifying what is special about our school and the unique education we offer, and the best and most effective ways to communicate this both within the current school community and to new and prospective families. We would love input from a wide range of perspectives so please do join us if you can. It should be a really interesting evening and we are very lucky to have some fantastic help with facilitating it. I will send out more detailed information next week. Please let me know if you are planning to attend. Many thanks,
