

Good Afternoon,

We are continuing to review the regularly changing Coronavirus situation and how school can minimise risk for its families and staff. In light of this we have reviewed our current drop off and pick up procedure for the beginning and end of the school day. Children will now be dropped off and picked up from outside the school. Whilst there is still a risk that children can bring the virus into school, by reducing the number of people mixing in a small indoor space we will decrease the risk of spreading the virus and as these changes are relatively easy to implement we will change our drop off and pick up procedure from **Monday 16th March**. We really appreciate families' support of our new procedure and strongly encourage you to stick to the times given to help protect ours and the wider community.

Note: Beate/Anne will be in touch with parents about arrangements for drop off and pick up for Buttercups children.

Kind regards

Bridget Crabb

Administration Assistant
